The 13th Triennial Symposium on Transportation Analysis
Call for Participation

About TRISTAN XIII

We are pleased to invite you to the 13th Triennial Symposium on Transportation Analysis (TRISTAN XIII), to be held in Porto de Galinhas (near Recife), Brazil, from 28 May 2028 to 02 June 2028. TRISTAN is an international forum for innovative models and methodologies in Transportation Science, focusing on Operations Research, Analytics, and Simulation. The symposium covers both passenger and freight transport across all modes and planning levels.
